TROX Malaysia have tied up with Rotary Club, contributed 2 units of TROX Air Purifier which worth RM 32,000 to Tuanku Ja'afar Hospital, Seremban as part of the TROX Corporate Social Responsibilities initiative, to support the medical front liners during the outbreak of Coronavirus.

These Air Purifier play positive roles at Isolation ward and Pharmacy area which providing healthier air by eliminate all viruses. The unit in the Pharmacy is at a public space with high traffic of public walking around and waiting to get their medication so everyone can see and feel the working of the TROX Air Purifier.

TROX Head of Sales and Technical, Mr Max Missbichler, and Finance Director, Ms Pathmah Sellamuthu, have demonstrated on the installation, component and how air purifier works to Dr Muhammad Zamri Bin HJ Harun, Deputy director of Medicine, Dr Wan Ruzaini Bt Wan Razali, Head of Infection Control Unit and Sister Mastura Bt Abu Hassan Shaari, Chief Nurse Supervisor.

This official handover ceremony has completed with the witnesses of Ms Jegatheeswari Govallen, President of Rotary Club, IAG Christina Chai (Incoming Assistant Governor), PAG T. Xavier Saganathan (Past Assistant Governor).

Thank you for all parties to make this event successful!
